## COORDINATOR'S CORNER

Well, Dahlings, here we are again, (with apologies to Faulkner) in the middle of a long, hot, summer.

All things considered, though, it's been a great season. For starters, pride went off without a hitch. The weather was perfect (okay it was hot and steamy, but the sky was cloudless and the crowd, estimated to be 100,000 was amazingly well behaved. In fact, the only flies in the ointment were the half-dozen bigots, extremists, and other loose ends that always seem to show up at these things, and even they couldn't louse things up. The TBN Booth was in a good location with lots of foot traffic, and we did a lot of schmoozing. Those assisting were Jeff M., Ken B., Patrick M., John S., and your chronicler.

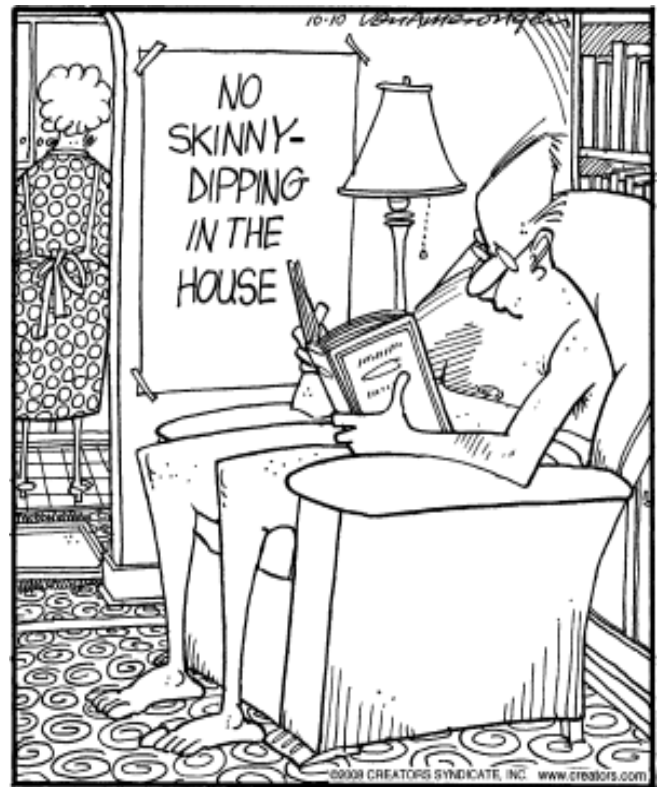

The 4<sup>th</sup> of July party at Jerold and Jeff's was a success, despite the iffy weather. The rain did hold off though, and even if attendance might have been higher had Mother Nature been more cooperative (it was ok at about 25) the whole event was quite enjoyable.

There are some events coming up: Will N. is hav-

ing a pool party on Saturday 14 August from 3:00 PM until? In lieu of a hot tub, our host promises a solar panel-heated pool with a delightful temperature.

Also, Bill K. is hosting an even at his home in Temple Terrace. FMI on both events – see elsewhere in this missal.

**TBN Coordinator: Jake Thompson**

Audrey's sign appears to do little good.

## UPCOMING EVENTS

We are always looking for host and events. You don't have to have a secluded backyard, a pool or a big screen TV to host an event. Many of our events have been limited to a dozen or less people due to space considerations. All we ask is that you please consider hosting an event?

Many have asked what to bring to our events as far as snacks or beverages, so we have placed BYOB and "snacks" on several of the events to let you know that you can bring the beverage of your choice. In most instances, alcohol is acceptable – but always check with the host when you RSVP. We only ask that you keep drinking to a minimum.

Here is the listing of events scheduled so far for the months of August 2010 through December 2010. As you can see there are still plenty of slots left to host an event if you would like to do so.

# Big Bare Butt Butch

The All-Star break is approaching, so I should amend my list of bearded baseball players; for the facial fur aficionados among us. Note that the last four names on this list have the irritating habit of shaving periodically during the season.

- 1) Jason Motte (St Louis Cardinals) – Pitcher.
- 2) Mitchell Boggs (St Louis Cardinals) – Pitcher.
- 3) Peter Moylan (Atlanta Braves) – Pitcher.
- 4) Jeff Niemann (Tampa Bay Rays) – Pitcher.
- 5) Jonathan Lucroy (Milwaukee Brewers) – Catcher.
- 6) Jeremy Herminda (Boston Red Sox) – Outfielder.
- 7) Jose Bautista (Toronto Blue Jays) – Outfielder.
- 8) Ike Davis (New York Mets) – First Baseman.
- 9) Dustin Pedroia (Boston Red Sox) - Second Baseman.
- 10) Wade Davis (Tampa Bay Rays) – Pitcher.

Now gather 'round for another twisted tale of cinematic origin...

## BROTHER PACT

Once upon a time there was a black drag queen named Delmon (aka “Delores”), working a Las Vegas nightclub, who observed a mob hit. So the wit-

ness protection program put him in a monastery in San Francisco. Every morning began in prayer, then cultivating fruits and vegetables... Afternoons were spent nude sunbathing on the roof, then downloading porn (as long as the vow of silence was kept.)

Delmon got bored, and eventually got the monks to learn a routine as male strippers for fun. They decided to strip for a charity fundraiser, and since most of the bearded daddies were in fact quite hot, it was an instant success. Night after night they danced the can-can in briar robes then g-strings, jiggled their hines and formed conga lines through the audience.

When the pope got wind of this, he decided to make a surprise visit. But the mob found Delmon the same day, and there was a shootout backstage; as the holy men ran through the casino in their G-strings, the daddy superior reminded them to blend in with the crowd.

The police eventually got the situation under control, and since their annual ball was coming up, they got some backstage coaching and pull-away pants to add their act to the show when their shift ended.

At certain time, the pope announced that he had spent the day in meditation and dodging bullets. This made him come to the realization that life is too short for clothing and hiding in shame, and that the bearded brethren of the monastery should make a pact never to hide their bodies from their creator again.

So the stage was full of friars with fabulous fannies that night, going “the full Monty,” followed by paunchy policemen popping out peckers and patches of pubies in a joyful, noisy celebration of manly monasterial musk.

THE END

Movie night tentatively scheduled for Wednesday Aug 11<sup>th</sup> at the Butch Ranch. The movie will be “The Hangover”, featuring bushy-bearded Zach Galifianakis’s bare bottom in multiple scenes. RSVP to Jeff please by Aug. 10<sup>th</sup>.
